# Welcome to LCPS 2017!

We are very much looking forward to welcoming you to the London Christmas Party Show 2017 at Spitalfields Venue.

Like all good stories, let's start at the very beginning!

We've created our very own 'Story' book for you, the new Exhibitor Manual. This manual will guide you through your festive exhibition experience and act as a helpful overview to our exhibition. It includes a breakdown of all the actions that need to be taken and by when, allowing you to bring your festive story to life!

Please give it a good read and do let us know if you have any queries or need any help or advice with what to do with your stand. We are always happy to help!

Also, don't forget to engage with us via Twitter, Instagram and Facebook, we love to reply, favourite and re-post. The more social the Show, the better!

[@lordcpsnow](#) [#LCPS](#) [#foreverchristmas](#)

Thank you for supporting our event, we very much look forward to welcoming you on-site on Wednesday 10<sup>th</sup> May.

Now, put on some festive carols, turn the page and let the planning commence!

*With love from  
Lord Crispin and the Show team*

# Stand Decoration Options

Your stand is a blank canvas and you can decide how you wish to use the walls that are available to you. Your stand will include Show carpet flooring, and you may choose to add your own flooring if you wish. There are three options below, which we can arrange for you:

## OPTION 1 - Exhibitor Stand Name

There is an opportunity to have your company name displayed on the back wall of your stand. On the Exhibitor's Checklist, please fill in Option 1 with the name that you wish to appear on your stand.

*This is a free of charge service.*

**IF YOU CHOOSE OPTION 3 OR ARE PROVIDING YOUR OWN STAND DÉCOR, YOU DO NOT NEED A NAME BOARD.**

## OPTION 2 – Stand Wall Colour

Your stand will be magnolia. If you are not having graphics, you can either retain this or we can paint it a colour of your choice. Let us know the Dulux paint reference when you choose Option 2 on the Exhibitor's Checklist. Please note that this service will incur a small charge as outlined on the checklist.

**IF YOU ORDER OPTION 3 YOU CANNOT GET YOUR STAND PAINTED TOO.**

## OPTION 3 – Full Stand Graphics

If you would prefer to use graphics rather than plain colour on your stand, you have the option to supply predesigned artwork to SCG, our stand contractor, to print and install graphics for you.

If you wish to use this service, you can choose between removable (foamex) or non-removable (fabric) graphics.

*Both will incur a charge.*

**IF YOU ORDER OPTION 1 OR 2 YOU CANNOT HAVE GRAPHICS AS WELL.**

## Bubblegum Balloons

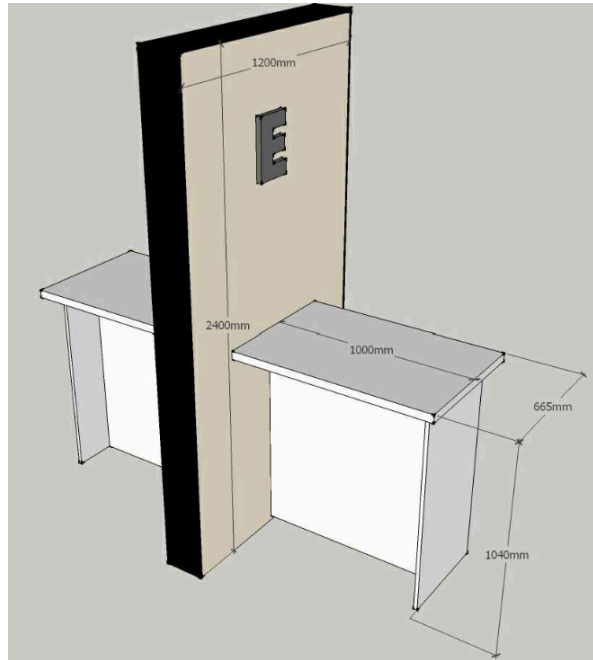

# Your Stand Space

**Stand graphic AND artwork deadline 31<sup>st</sup> March 2017**

(We need to receive your order AND the artwork by this deadline. Graphics orders or artwork received AFTER this date will incur a 30% charge). SCG will invoice you directly.

## Your stand measurements

PLEASE NOTE WE HAVE CHANGED STAND BUILDERS FROM THE LAST LCPS, THEREFORE STAND SIZES DIFFER SLIGHTLY FROM PREVIOUS SHOWS. In order to make sure that you know exactly what to do to decorate and make your stand look summery, here is a visual of what your stand looks like and the necessary measurements. This size stand has 1.2 metres of frontage with the back wall measuring 1.2m wide and 2.4m high with the table jutting out by 1m.

## FABRIC graphics print guidelines

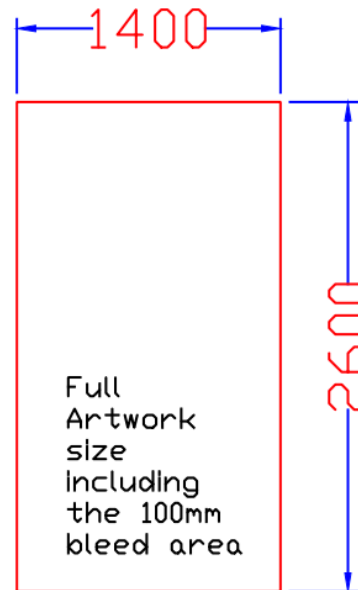

Fabric graphics are the cheaper of the full graphics options available from SCG:

- You can cover large sections of walls in one piece avoiding the need for joins.
- It creates a smooth and high quality finish.
- It is also cheaper than the Foamex option.
- These are not reusable.
- If these are ordered through SCG then they will be applied for you prior to your arrival.

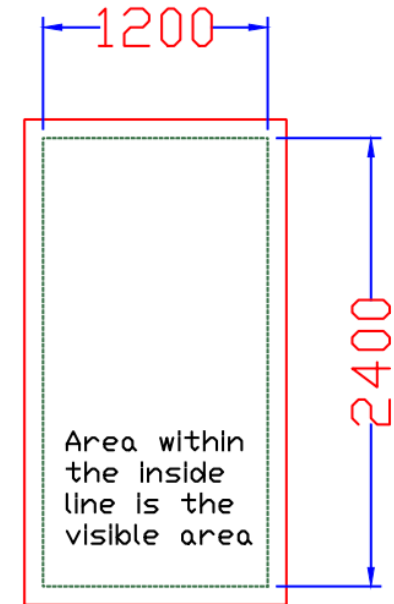

- This option would be our recommendation for your graphics.

See pg. 11 for artwork guidelines.

## FOAMEX graphics print guidelines

Foamex Panels are the more expensive option for the full graphics from SCG:

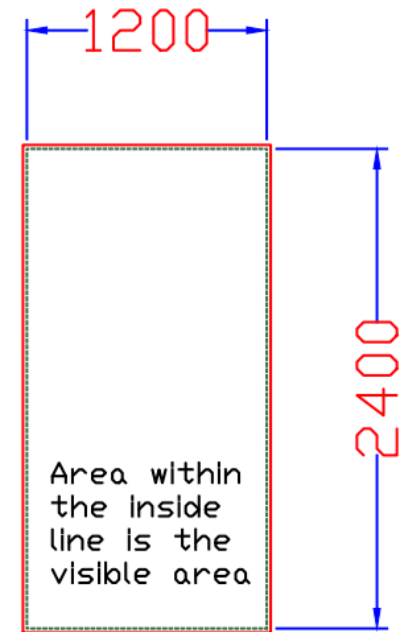

- They are lightweight (3mm thick) and can be fixed to any surface.
- The thinner larger prints can be fragile but do have the ability to be reused multiple times if handled with care.
- If you wish to keep your foamex, you have to arrange your own collection and storage.
- If these are ordered through SCG then they will be applied for you prior to your arrival.

# Stand Guidelines

We never wish to be prescriptive with your presence at the Show. However, due to the compact nature of the stands, we feel that in the interest of the event and all exhibitors, there are a few guidelines that we would love for you to adhere to:

- Please **do not** obstruct the low walls of your stand. This includes high cabinets/pop-ups/foilage in front/on top of the 1m high walls.
- Please **do not** bring any pop-ups or gimmicks as there is simply not enough room on your stand.
- Please ensure that any décor that you bring does not encroach into the aisles as they are quite narrow.
- We ask that any marketing material is only given out within the confines of your stand, and not in the aisles.
- Remember that this is **your opportunity to showcase your Christmas product range** to both the agents and corporate buyer attendees, so please ensure that your décor reflects this.
- We **strongly** recommend that you use our stand contractor SCG for all of your graphics printing and installation. If you do not wish to use SCG, you will have to source your own contractor to print and install these for you as there will be **no additional help on site**.

# Furniture, Electricity & Lighting

## Furniture

- Your stand comes with a package which includes **ONE** high bar stools and your table is built into your stand.
- Please remember that floor space is limited so please do not bring any additional furniture for your stand.
- If you would like to remove any of this furniture or to provide your own, please indicate this on the Exhibitor's Checklist.

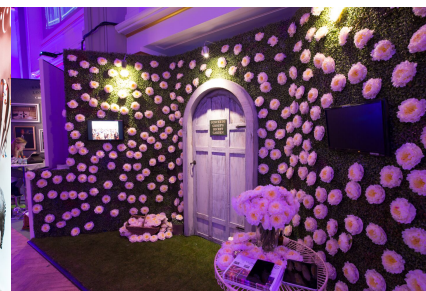

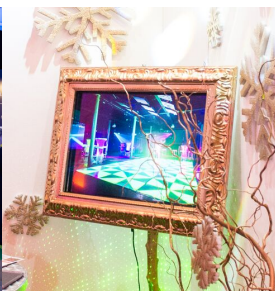

## Electricity and Lighting

- Your stand package includes **ONE** power socket (13amp socket - 300w per socket) and **ONE** spotlight.
- We will also be installing atmospheric lighting for the whole venue.
- Should you wish to order extra sockets or lighting, you will need to indicate this on the Exhibitor's Checklist. *Please note that extra charges are applicable for this service.*

*\*We will only be able to facilitate a limited number of additional requests due to power constraints within the venue.\**

## TV Screens

- You can hire a 40" plasma screen from LUX Technical for £275 +VAT including hire for both days, installation and technical support. LUX Technical will invoice you directly
- If you **want to bring your own screen** – please contact Gemma directly. You **MUST** let us know by **17<sup>th</sup> April** if you want a TV and where you want to position it, so that your stand can be reinforced. You will also need to arrange your own contractor to install it on your stand, and then arrange pick up and delivery.
- The maximum screen size you can have on your stand is 40".
- Please ensure you account for your screen size and position when designing your graphics/stand décor. It is your responsibility so that there is no misalignment with graphics.
- Content formats (All content needs to be in the same folder on a USB):
  - **Videos** - mp4 videos (We would recommend - 1080p 25 or 50fps encoded in h.264 format).
  - **Photos** - jpg images (Although we would recommend creating a slideshow video in advance). All content needs to be in the same folder on a USB.
- There will be a technician on hand throughout the event, should you have any issues with your content, or the screens themselves, please do not hesitate to approach a member of staff to help you.

# Stand Specifics

- If you want to provide edible samples on your stand you will need to fill out a Food Disclaimer form. Please indicate what you would like to bring on the Exhibitor's Checklist and/or contact Gemma.
- Unfortunately there are no refrigeration/freezer/general storage facilities at Spitalfields Venue, so you will need to keep everything on your stand.
- There will be a number of workshops and seminars that will take place during both the Agent's Evening and the Corporate Buyers' Day.
- Exhibitors will enjoy plenty of food and drink throughout the evening reception for agencies on Wednesday 10<sup>th</sup> May and the Corporate Buyer event on Thursday 11<sup>th</sup> May with breakfast, lunch and afternoon tea.
- There will be free Wi-Fi available to all exhibitors at the Show.
- You can have entertainment/performers on your stand, but they will count as one of your staff members and they will not be allowed to roam.

## PROFILE

Your online profile is **VERY IMPORTANT**, the information you input here shows on our website. Please fill it in with as much detail as possible, i.e. adding any photos/videos, social media handles etc.

## MARKETING URL

This is a URL unique to yourself, which directs to [www.londonchristmaspartyshow.com](http://www.londonchristmaspartyshow.com). Use this in any communications you send out about the Show as this is how we measure the winner of our Exhibitor Marketing Award.

## CATEGORIES

You must select three categories that best represent your services. By selecting the categories, we can recommend visitors that will be suitable for you as part of your 'meetings matching' free data.

# Stand Staffing & Badges

## Stand Staff

As a Story Gives Back exhibitor, you are permitted to have **TWO** members of staff in the building at any one time. You will not be permitted to have any more. If you wish for your Marketing Director or any senior member of staff to attend to visit the Show, please do let us know and we will do our best to accommodate them.

You are permitted to swap your staff throughout the day, as long as there are no more than you are allocated on your stand at any one time. Please generate a badge for each individual. Once you have reached your stand capacity, additional staff will be escorted into the venue in the place of existing staff on site by our Santa's Little Helpers.

The screenshot shows the 'Test 1 Badges' page in the exhibitor portal. The 'Badges' tab is selected in the top navigation bar. Below it, there is a 'Create a badge' form with fields for 'First name', 'Last name', 'Company', and 'Email'. There are also checkboxes for 'Attending Day 1' and 'Day 2'. A red box highlights the 'Badges' tab in the top navigation bar, and a red box highlights the 'Create a badge' form fields. A red arrow points from the 'Badges' tab to the 'Create a badge' form.

Click on the badges tab, and then enter each member of staff separately

## The Process

Every stand staff member must have a badge. You are responsible for entering these online before you make your way to the Show. These need to be entered onto the Exhibitor Portal by **Friday 28<sup>th</sup> April 2017**. *This must be entered on the portal by the deadline so we can print your badges in time.* We will require their email address and mobile telephone number in case of any issues. You will also be expected to notify us of when they will be at the Show so that we know when to expect them. Your staff will then be checked in and out at the Show via the Exhibitor Registration desk.

If you miss the deadline, you will have to go to the Exhibitor Registration desk to get your badges printed on the day.

## Contractors

Any external contractor that you use to build your stand will also need to be registered for a badge. Please ensure their details are entered on the Exhibitor Portal before the Show. If they are not entered, we will not allow them entry until we have verified their identity with your primary contact.

**PLEASE NOTE:** If you are arranging your own contractor, they will need to supply us with their Risk Assessment, Method Statement (RAMS) and their Personal Liability insurance **BEFORE** they will be allowed on site. Please send to Gemma at [gemma@storyevents.co.uk](mailto:gemma@storyevents.co.uk)
